Dear Senator,

On the above date I contacted the Central Intelligence Agency in order to request any declassified material it might have concerning the topic of detecting clandestine transmitters and wiretaps.

It would be greatly appreciated if your office could confirm that no publications are available to the public.

Should there be any other agencies that have publications available (I have already contacted the FCC and the FBI), I would be appreciative if you could inform me.

Thank-you for any help you can render. Thank-you, also, for the beneficial job you have done for Louisiana while in office.

Respectfully,

STAT
